by labelling your parcel correctly

Please cut along the dotted line of your label and affix to your parcel or bag (as supplied by Interlink Direct driver).

Parcel = above 5kg weight and dimensions 40 x 30 x12 cms

Remove all other labels

- Ensure the surface where the label is applied is clean and dry and the label is not wrinkled
- Don't place the label and not over the seams or corners and any banding does not obscure the label
